Dear Director General, dear Branimir,

It is with deep regret that I learnt of the decease of BIA President
Bojidar Danev.

I have known and worked with Bojidar for over 25 years and I have very
much appreciated him both personally and professionally and I want to
express my deepest sympathy.

His passing will leave an empty space. Please pass my sincere
condolences to his family and your colleagues.

All my best regards

Renate Hornung-Draus
